MEMORANDUM FOR MR. ROBERT M. GATES
DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Central Intelligence Agency Representative
to the United States Special Operations Command (USSOCOM)

REFERENCE: Your Memorandum, dated 12 June 1987

I have referred to General Lindsay the matter raised in your letter of 12 June concerning the determination of the selection criteria for the CIA representative to the USSOCOM.

The General notes that he will be meeting in the near future with Judge Webster and suggests that discussion of the criteria be deferred until then, when he will raise it with the DCI directly. Until the time that a CIA representative to the USSOCOM is identified, we believe the current arrangement of using the CIA representative to USCENTCOM in that capacity should be satisfactory.

MEMORANDUM FOR THE DEPUTY DIRECTOR, CENTRAL INTELLIGENCE AGENCY

SUBJECT: Central Intelligence Agency Representative to Special Operations Command (SOC)

The Fiscal Year 1987 Appropriations Act included an amendment to Title 10, United States Code, directing the establishment of a unified combatant command for special operations.

In conformance with the legislation, the DOD is developing plans for a Special Operations Command (SOC) staff. As part of this process, it has been determined that a full-time Central Intelligence Agency (CIA) representation on the SOC staff is necessary.

Accordingly, request establishment of a CIA position on the SOC staff, and nomination of candidates to fill the position. Expeditious support of this request would be most appreciated.
